

Information Sheet - Scarf Cap

TOTIE

Place the scarf cap on the head with peak at front and centre and tie firmly at the base of the neck. Allow centre point of the tringle to drop and tie again, this time catching and anchoring at the center point.

Washing and care
Warm wash separately.
Do not bleach or tumble dry.
dry away from direct heat.
warm iron.

Please Note:

This is not a sun protection device.
Please remember to protect your scalp against the sun and ask your doctor for a recommended sun block suitable to your skin
